PTUSA has earned its outstanding reputation over the last 8 years by developing players of all ages and abilities. Our Premier Training Academy offers competitive players a chance to train seasonally or year round with qualified coaches renowned for teaching the youth player. We have, and will continue to pride ourselves on the professionalism of our staff and the innovation of our curriculum. The Academy focuses solely on the technical development of youth players and the understanding of their playing environment. The PTA program is designed to complement your town soccer commitments, not compete with them.
