

Pembroke Youth Soccer Select Team Overview

- Regular attendance of games and practices are expected during the Pembroke Youth Soccer regular season (April – June).
- Practices will be a minimum of one day a week and a maximum of two days a week during the Pembroke Youth Soccer regular season (April – June).
- Games will be every Saturday and will run for 10 consecutive weeks.
- The minimum playing time on a Select Team is 20 minutes.
- In June, after the season ends, there are playoffs and the state championships. A player's commitment is expected to extend through the entire season including the post season.

If your child is chosen to represent Pembroke Youth Soccer's Select team, please keep the following in mind before making the commitment:

There are a limited number of spaces on the Select 1 team and the commitment should be taken seriously. If your child is unable to make this type of commitment due to other sports/activities then they should not take a position on the team.

There are many players willing to make this commitment if given the opportunity.
