In 1987, WCSC was established with three core principles:

1.CHARACTER, 2.SKILLS/TACTICS, 3.FUN

THE KEY TO OUR SUCCESS:

CARING COACHES

The coaches at WCSC are terrific and talented young men and women who possess outstanding character and go out of their way to ensure every camper is involved, learning and having a good time. Our coaches foster a good-natured rapport and positive atmosphere that has our participants wanting to come back again and again.

At WCSC you will improve your game and have a blast doing it!

TEACHING PHILOSOPHY

- 1. Every Camper Matters:** We care about each camper and his or her improvement. We have therefore created a curriculum to involve everyone regardless of ability.
- 2. “Learn Through Play” Coaching Approach:** We believe that kids learn best through competitive games and activities with the focus on fun, challenge, repetition, creativity, problem solving, and motivation. We avoid static drills and the “3 L’s of Coaching”: Lines, Lectures, Laps.
- 3. High Expectations:** Children will generally do what is expected of them. Therefore, our expectation is that all campers display outstanding character on and off the field.

BASIC OVERVIEW OF DAILY SCHEDULE

1. Skills & Tactical Training Sessions: Our coaches use a variety of presentations, demonstrations and drills in order to break down and thoroughly teach the fundamentals of the game, our goal is to produce complete and exceptional soccer players. This includes teaching our *Magic Moves*, which are 1v1 moves. We want all our campers to play with flair, be ball magicians and unstoppable forces on the field!

2. World Cup Matches: Each camper is assigned to a team participating in daily, small-sided World Cup matches. This gives campers the opportunity to utilize skills and tactics learned each day and also enables coaches to evaluate and teach campers in a live match situation. **The week culminates on Friday with our annual World Cup tournament.**
